### Ayer's Ague Cure, FOR THE SPEEDY CURE OF Rermittent Fever, or Fever, and Ague

Remittent Fever, Chill Fever, Dumb Agne, Periodical Headache or Bilions Headache and Bilions Fevers, indeed, for the whole class of diseases originating in biliary derangement, caused by the malaria of minsmatle coun-

FEVER AND AGUE IS NOT the only consequence of the missuntic poison. A great variety of disorders arise from its irritation, in malarious districts, a mong which are Neuralgia, Rheumatisus, Goot, Headache, Blindness, Tootache, Earache, Catarrh, Asthum, Palpitation, Painful Affection of the Spleen, Hysteries, Pain in the Bowels, Colic, Paralysis, and Derangement of the Stomach, all of which, when originating in this cause put on the intermittent rangement of the Stomach, all of which, when originating in this cause put on the intermittent type, or become periodical. This "Curr" expels the poison from the blood, and thus cures them all alike. It is not only the most effectual remedy ever discovered for this class of complaints, but it is the cheapest and moreover is perfectly safe. No harm can arise from its use, and the patient when cured is left as healthy as if he had never had the disease. Can this be said of any wither cure for Chilfs and Fever? It is true of this and its importance to those afflicted with the complaint cannot be over estimated. So sure is it to cure the Fever and Ague, that it may be truthfully said to be a certain remedy. One Dealer complains that it is not a good medicine to sell, because one bottle cures a whole neighborhood.

Prepared by J. C. AYER & CO., Lowell, Massachusetts, and sold by Druggists and dealers every where at wholesale and retail; in Nashville by BERRY, DEMOVILLE & WHARTON
